Ideal Pet Door Replacement Flap Kit

This Flap Fits:

Small 5” x 7” Flap Size

“Original” Plastic Pet Door

The Flap You Are Replacing Should Have The Following:
#1: Holes In Top Of Flap
#2: Rectangular Ideal Logo
#3: Smooth Bottom Bar (No Rivets)

“Original” Plastic Pet Door Flap Installation:

1. On inside frame, unscrew bar that holds flap.
2. Re-attach bar to new flap and screw lightly back into frame.
3. Position so that flap hangs evenly in frame.
4. Carefully tighten screws. DO NOT OVERTIGHTEN.
